INK JET PRINTERS

Direct Jet Printer Series

Revolutionary new ink jet that prints white and a clear overcoat and does not require any undercoating. Printable area size of 12" x 13" with a height allowance of 4". Included with every printer is the Color Byte Rip Lite which allows the user to print from most desk top publishing applications. Also included is a USB cable and accessories kit. Standard one (1) year limited warranty on printer. All printers are auto switching between 100-240 VAC, 50-60Hz.
